Item details

Depth	388 mm
Width	90 mm
Height	208 mm
Dim. D	114 mm
Load bearing capacity	Per pair: 500 lbs
Color/finish	hot-zinc plated
Functionality	Without pull-in spring
Version	Folding
Material	Steel
Note on load bearing capacity	Per pair: (1100 lbs.) 500

Load capacities are approximate figures and can change depending on application. These figures were determined by static testing – distributing the weight evenly over the surface, but not extending the length of the bracket. Maximum distance between 2 shelf supports is 700 mm (27 9/16").

Additional information

Load capacities are approximate figures and can change depending on application. These figures were determined by static testing – distributing the weight evenly over the surface, but not extending the length of the bracket. Maximum distance between 2 shelf supports is 700 mm (27 9/16").
